1. Prologue

Katniss and Peeta in the woods.

We could do it you know. Run off, live in the woods.

They'd catch us.

Maybe not.

We wouldn't make it five miles.

I never wanted any of this.

"Welcome welcome! The time has come to select one courageous young man and woman for the honor of representing District 12 at the annual 74th Hunger Games!"

_Katniss; "It's your first year Prim, they're not gonna pick you." _

_"Primrose Everdeen!" _

_"PRIM!" _

_Katniss; "I VOLUNTEER! I volunteer as tribute!" _

"Our tributes, Peeta Malark! Katniss Everdeen."

Peeta; "They just want a good show, that's all they want."

_Katniss; "There are twenty four of us and only one of us comes out alive!" _

"So are you here to make me look pretty?"

_"No. I'm here to help you make an impression." _

I never wanted to be in the Games.

"And so it was decreed that each year the twelve Districts of PN M, to offer up in tribute a young man and woman, between the ages of twelve and eighteen to be trained in the art of survival and to be prepared."

_"This is the time to show them everything. Make sure they remember you." _

"I just wish there was a way to show them that they don't own me. If I'm gonna die, I want to still be me."

_"I can't afford to think like that." _

I just wanted to save my sister. To keep Peeta alive.

"Miss Everdeen, it's the things we love the most that destroy us."

Peeta; "I want everyone who's watching, to lay down their weapons now."

_Katniss; "You're alive!" _

_"You will rescue Peeta at the earliest opportunity, or you will find another Mockingjay!" _

2. Who's Who Again?

Katniss; Elsa

Peeta; Hiccup

Primrose; Anna

I know the story stuff about the Hunger Games, but I didn't care for the Hunger Games storyline, not to mention the Hunger Games are kind of...creepy. I'm not a fan I've never even seen them and I never want to. Well, enjoy the story! I will address the reviews at the beginning of the chapter.

3. That's Lame

"Peeta? Peeta are you here?" A young blonde haired woman,about 18, turned around in confusion, not seeing the young brown haired teen, who looked to be about 18 as well, sneak up on her. He tugged on her long blonde braid and she whirled, sighing when she saw it was Peeta.

"Peeta one of these days you're going to get an arrow in your gut!" She sighed, grinning.

"Nah, I'm way too fast for you." He joked.

"Wanna bet?" Katniss challenged, and Peeta replied,

"You can't shoot three rabbits and 2 crows with one try for each."

"Prize?" Peeta smirked.

"A kiss from the loser to the winner." Katniss grinned.

"Oh you're on. Get ready to be beaten." They ran to a thickly wooded area, where they shot their goals, Katniss beating Peeta. Peeta said as they set down their game,

"Well you'd better be prepared Fiesty, cause I'm not a gentle kisser." Peeta warned, and Katniss smirked.

"You're just trying to get out of the-" Peeta grabbed her shoulders and kissed her. Then he quickly stood away, and Katniss flushed.

"I should get going." She slung her bow and quiver over her shoulder and ran off towards home.

Gah! SERIOUS. WRITER'S. BLOCK! HELP MEEEE!
